

## **Tallwood Women's Club Monthly Communication to Members May 2021**

Your Board has met recently. As a result the following topics are newsworthy to our Membership:

**Tee Times** – The Tournament Committee is in the discussions with the Pro Shop regarding filling the empty tee time slots for early times. Once decided on the process, players may be moved up from the original time they booked so we all follow each other. It is likely that this type of move will be done the day before we play so be on the look out for an email from Tallwood providing you with the new tee time.

**Maximum of 10 strokes per hole** - This is a mandatory TWC league rule. If you actually make 10 strokes write 10 on the scorecard. If you pick up your ball because you would likely have more than 10 strokes write 10X on the scorecard.

**SNEWGA** – For information on upcoming tournaments and/or to register for events please visit [snewga.org](http://snewga.org) website. There will be a Member/Guest tournament on June 27 (Sunday) when a SNEWGA member can invite a non-SNEWGA member for a day of golfing fun.

Also, a reminder that SNEWGA members from Tallwood are eligible to participate in the Super Senior/Legends event that we are hosting on August 16 this year.

### **Social**

The End Of Season Banquet will be held at Villa Louisa.

**Hole #4** – In case you were not aware of this, there are two Drop Areas on this hole, one in the back of the green and one on the right side of the green. These are now marked and are permanent.

**Chip-In Pot** – Optional and available to everyone, 18 and 9 hole groups, to participate in.

**'Mixer' Tournament** – This is under consideration for one Tuesday this summer. Both 18 hole and 9 hole groups would be playing together 18 holes. Tee times and groupings will be a surprise.
