

## **Tallwood Women's Club Monthly Communication to Members March 2021**

Welcome everyone to the Tallwood Women's Club 2021 season! In response to concerns from some of our members that COVID restrictions have made it harder to keep up with what's going on, your board has decided to send you an email each month highlighting issues and/or decisions made at its meeting on the first Tuesday of each month. These emails will replace the spring, summer, and fall newsletters.

Your Board has met recently. As a result the following topics are newsworthy to our Membership:

**Orientation for New Members – Tuesday, April 6 at 10 a.m.** Location: Tallwood Grill Room.

Due to continued covid-19 restrictions, this gathering will be limited to new and prospective members, their sponsors, if they have any, invited board members and invited pro shop staff.

**Opening Day – Tuesday, April 13.**

There will be no general meeting due to the continued covid-19 restrictions. We will play 9 holes of golf, Texas Scramble format. You will have signed up for this event when you send in your Membership Application to Marcia Robbins. More information will be provided from the Tournament Chair once it is known who will be playing.

**Tournament Schedule** has been posted to our website. It will be emailed to each of you. A copy of it will also be on our bulletin board in the clubhouse as well as included in the upcoming Membership Booklet.

**Member/Guest Tournament** – We will not have this event this year. In the past couple of years there were many discussions among board members to host it less frequently. It was agreed upon to host Member/Guest event every other year and during the year that the Blackledge Women's Golf Association (BWGA) does not host theirs. Many of our members are also members of BWGA, and, many of our remaining members are being invited to the BWGA's event as guests as we invite BWGA members to be our guests when we host.

Since BWGA will host their Member/Guest event this year, we will host one in 2022.

**HAT Tournament** – There will not be a HAT Tournament this year. There are many ongoing discussions with BWGA exploring possible changes.

**Other** – We will host the SNEWGA Super Seniors/Legends tournament on August 16.

Please notify our Cheer Committee (Velvet) if you know of any member needing a bit of cheer, and, of those having any significant good news.

Please feel free to bring up any issues you are aware of so the board can discuss these promptly. To get re-acquainted as to who the Board members are the roster will be emailed to you.

**Golf fees** – The new fees are posted on the Tallwood CC website. For your convenience the following are the rates:
